14.	Any specific curricular aspect of the HEI which might considered as best practice maybe highlighted? The institute does not play a direct role in designing the curriculum. Four senior professors from the college were members of board of studies with the affiliated university. They played their role in redesigning, restructuring and enhancing the existing curriculum. The time table is prepared by the committee formed by the head of the institution. Faculties prepare teaching plan for daily classroom teaching. Professors maintain daily diary to register their everyday teaching work. Other than syllabus several other courses including YOGA classes, Self-defense, skill development and communication skills, basic learning techniques for computer, etc. are introduced for developing skills of students. Value Addition in curriculum YOGA classes, Self-defense, online classes, spacial guest lecture, skill development and communication skills, basic learning techniques for computer, etc. Expected Learning Outcome from the modified curriculum or related practices This might include the enhancement of knowledge level through non-conventional teaching learning methods. To inculcate the moral and social values among students. to upgrade the students with latest information and needs in various fields like IT, Entrepreneurship Development, climate change, environmental effect, arts and cultural studies, communication skills, spoken English, and self-defense against activities like eve teasing. Employability enhancement through this new curriculum. The curriculum will help the students to develop their business by enriching their interest. They may opt for opening yoga, dance, singing, mehendi classes. They may become beautician, or teach self- defense techniques, etc. rather than opting for traditional job opportunities. Students from institute may become self-employed.	-

1.	Best Practices and Institutional Values List the best practices at your HEI The institute aims is to impart knowledge to the girls from economically weaker and backward section of the society. This institute is only for girls student and we try our best to enhance the knowledge skill and learning practices. We are having Sick room in the college. Any student feeling illness is given first-aid treatment through the medicines. Staff provides a helping hand and co-operate with the patient for taking her to the nearby hospital after primary treatment in the sick-room. Our college also provides an additional facility to married lactating women students. There is a Feeding room lactation room for married women feeding their child. Feeding room provides breastfeeding mothers with a private space to pump or nurse. Administration understands that infant and young child feeding is an important area to provide better survival of child and promote healthy growth and development hence provide better atmosphere. The college also tries to provide better hygiene to girls students by providing facility of Sanitary napkin vending machine . Girls are provided with easy access to sanitary napkins across their work place ie in the college campus. The girls from rural and weaker sections of the society don t have access and sometimes cant afford good quality sanitary pads with the help of this machine the napkins can be availed just by dropping the coins that can be afford by all and they wont have health issues.
