

Department Of Hindi

Keeping its unique identity in Damoh district, the Hindi department in the college is trying its best to generate interest and inclination towards Hindi among the girl students while looking for career opportunities in Hindi. Girls should take interest in reading literature, find solutions to today's problems in literature and choose a career related to Hindi. The department is trying to upgrade Hindi.

The department pays special attention to standard Hindi, best script. Language and script improvement workshops are also organized from time to time. More than 430 girl students are studying in graduate classes and 250 girl students are studying in post graduate classes in this department. Storyteller Premchand is operated in the curriculum as a special study in postgraduate classes.
