

Department of History

The college was primarily established as a private college in 1964 with art courses up to 01/10/1982. Since that time History is one of the popular and traditional subject which is widely studied by our college students. History deals the study of change over time, and it covers all aspects of human society. Political, social, economic, scientific, technological, medical, cultural, intellectual, religious and military developments are all part of history. Beside this History also provides information about the chronological record of events (as affecting a nation or people), based on a critical examination of source materials and usually presenting an explanation of their causes.

In History department primarily one post was sanctioned in which Dr.Aruna M Jain as Professor & Head of department is serving in department. From September 2021 one teaching post have been sanctioned on behalf of that Dr. Ajay Kumar Singh (Guest faculty) has recruited on date 13/09/2021.

Currently History is one of popular subject in-between the student in graduation level art courses.
