Introduction

Mechanism of internal/ external assessment is transparent and the grievance redressal system is time- bound and efficient.

As per policy of the department of higher education the college has a semester cell which prepare detail program time table and methods for internal evaluation.

Is continuous comprehensive evaluation CCE is the main process for internal evaluation there are many methods adopted for CCE including chart making assignments presentation objective questions system book review class teaching at etc. all the department of the institution follow a uniform process of evaluation for CCE.

The affiliating University has initiated various evaluation reforms as under.

- Allotment of Marks for internal assessment system.
- Introduction of objective question in the question papers
- One paper per subject per semester.

The college has adopted various evaluation report.

- Objective, descriptive, question and assignment used in internal examination.
- Internal Assessment is awarded to the students as per the university criteria.
- Class test, group discussion and surprise test are conducted to evaluate the performance of students.
- Student centric learning is introduced through the assignment project seminar PowerPoint presentation and practical and online quiz.

Professor is displaying marks awarded for CCE test to students and guide them for better performance. The semester cell shoulders the responsibility of uploading marks awarded to students in CCE practical and project on the web side of the afflicting university practical examination for science and computer subject are conducted by the college and evaluation is done by both internal and external examiners appointment by the a afflicting University.

Mechanism of internal/ external assessment Policy

The institution has an efficient mechanism of internal and external assessment which is transparent in the conduct and also in the rectification of grievances. The grievances are solved with utmost priority in a time-bound manner. The institution strictly follows the guidelines of the affiliated university while conducting the internal assessment and end-semester examinations.

If the girl students studying in the college have problems related to the examination, such as absent in the theory or practical examination, then the student comes to the college with his problem. If the student is absent in the theory examination, and then they contacts the exam centre, in-charge of the examination centre. They send the information of the above candidate to the registrar of the university. They resolved the problem of the students.

Similarly, if the student is absent in the practical examination, and then he contacts the head of the department, the head of the department sends the information of the above student to the university within three days. From there his problem is solved. If the student is absent in the practical examination, the college with a fee of Rs 1500 it is conducted in the college. Students also can give the exam in any college of the district where the examination is not conducted with a fee of Rs. 1000 can be included.
