AUDIT REPORT

We have examined the Receipt & Payment Account for the year from 01.04.2021 to 31.03.2022, attached herewith of Govt. Kamla Nehru Mahila Mahavidyalaya DAMOH

We certify that the Receipt & Payment Account are in agreement with the books of account maintained at the head office Damoh (M.P.)

These financial statements are the responsibility of the management. Our responsibility is to express an opinion on these financial statements based on our audit. I conducted the audit in accordance with accounting Standards generally accepted in India. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatements. An audit includes examining, on test basis, evidence supporting the amount and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by the management as well as evaluating the overall financial significant presentation. I believe that my audit provides a reasonable basis for my opinion. We further report that Opening Balances is taken as per cash book, As Reported to us loans and advances register / ledger are not prepared. Procedure of classification of expenses is not produced before us thus we have taken the same on the basis of cash book. Individual treasury vouchers are produced before us but yearly total of bills from treasury is not produced, thus we are unable to find missing bills if any. Purchases are made on bills out of which some bills are not in proper format. Purchase procedure does not produce before us thus we cannot comment on it. Since cash book is prepared on fund basis and bank balance is not calculated in cash book, thus we can not whether all the banking transaction has been reflected in cash book or not.

Subject to above, we have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of the audit.

In our opinion, proper books of account have been kept by the head office of college so far as appears from our examination of the books.

In our opinion and to the best of our information and according to the explanations given to us, the said accounts, read with notes thereon, if any, give a true and fair view:

- (i) in case of the Receipt & Payment Account, of the receipt / payment of the college for the year ended on that date.

AUDIT REPORT

We have examined the Receipt & Payment Account for the year from 01.04.2019 to 31.03.2020, attached herewith, of Govt. Kamla Nehru Mahila Mahavidyalaya DAMOH

We certify that the Receipt & Payment Account are in agreement with the books of account maintained at the head office Damoh (M.P.)

These financial statements are the responsibility of the management. Our responsibility is to express an opinion on these financial statements based on our audit. I conducted the audit in accordance with accounting Standards generally accepted in India. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatements. An audit includes examining, on test basis, evidence supporting the amount and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by the management as well as evaluating the overall financial significant presentation. I believe that my audit provides a reasonable basis for my opinion. We further report that Opening Balances is taken as per cash book, it has many calculation mistakes as reflected in our report. As Reported to us loans and advances register / ledger are not prepared. Procedure of classification of expenses is not produced before us thus we have taken the same on the basis of cash book. Individual treasury vouchers are produced before us but yearly total of bills from treasury is not produced, thus we are unable to find missing bills if any. Purchases are made on bills out of which some bills are not in proper format. Purchase procedure does not produced before us thus we cannot comment on it.

Subject to above, we have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of the audit.

In our opinion, proper books of account have been kept by the head office of college so far as appears from our examination of the books.

In our opinion and to the best of our information and according to the explanations given to us, the said accounts, read with notes thereon, if any, give a true and fair view:

(i) In case of the Receipt & Payment Account, of the receipt / payment of the college for the year ended on that date.

AUDIT REPORT

We have examined the Receipt & Payment Account for the year from 01.04.2018 to 31.03.2019, attached herewith, of **Govt. Kamla Nehru Mahila Mahavidyalaya DAMOH**

We certify that the Receipt & Payment Account are in agreement with the books of account maintained at the head office Damoh (M.P.)

These financial statements are the responsibility of the management. Our responsibility is to express an opinion on these financial statements based on our audit. I conducted the audit in accordance with accounting Standards generally accepted in India. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatements. An audit includes examining, on test basis, evidence supporting the amount and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by the management as well as evaluating the overall financial significant presentation. I believe that my audit provides a reasonable basis for my opinion. We further report that Opening Balances is taken as per cash book, it has many calculation mistakes as reflected in our report. As Reported to us loans and advances register / ledger are not prepared. Procedure of classification of expenses is not produced before us thus we have taken the same on the basis of cash book. Individual treasury vouchers are produced before us but yearly total of bills from treasury is not produced, thus we are unable to find missing bills if any. Purchases are made on bills out of which some bills are not in proper format. Due to this college will be liable under reserve charge gst. Purchase procedure does not produced before us thus we cannot comment on it

Subject to above, we have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of the audit.

In our opinion, proper books of account have been kept by the head office of college so far as appears from our examination of the books.

In our opinion and to the best of our information and according to the explanations given to us, the said accounts, read with notes thereon, if any, give a true and fair view;

- (i) in case of the Receipt & Payment Account, of the receipt / payment of the college for the year ended on that date.

AUDIT REPORT

We have examined the Receipt & Payment Account for the year from 01.04.2017 to 31.03.2018, attached herewith, of Govt. Kamla Nehru Mahila Mahavidyalaya DAMOH

We certify that the Receipt & Payment Account are in agreement with the books of account maintained at the head office Damoh (M.P.)

These financial statements are the responsibility of the management. Our responsibility is to express an opinion on these financial statements based on our audit. I conducted the audit in accordance with accounting Standards generally accepted in India. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatements. An audit includes examining, on test basis, evidence supporting the amount and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by the management as well as evaluating the overall financial significant presentation. I believe that my audit provides a reasonable basis for my opinion. We further report that Opening Balances is taken as per cash book and it is not properly maintained, it has many calculation mistakes as reflected in our report. As Reported to us loans and advances register / ledger are not prepared. Procedure of classification of expenses is not produced before us but yearly total of bills from treasury is not produced, thus we are unable to find missing bills if any. Purchases are made on bills out of which some bills are not in proper format. Due to this college will be liable under reserve charge gst. Purchase procedure does not produced before us thus we cannot comment on it

Subject to above, we have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of the audit.

In our opinion, proper books of account have been kept by the head office of college so far as appears from our examination of the books.

In our opinion and to the best of our information and according to the explanations given to us, the said accounts, read with notes thereon, if any, give a true and fair view;

(i) in case of the Receipt & Payment Account, of the receipt / payment of the college for the year ended on that date.
