Subject: Permission for the visiting the department and university campus.

Sir,

This is a request letter to seek your kind permission for an educational visit to your department and the university campus. We are a renowned college of the city and we keep high standards of academic and co-curricular records. For the sack of our students, their exposure to recent techniques and tools, we arrange educational trip every year for the PG students. Therefore we request you to please allow us to visit your department on 11th Feb. 2021 Our 30 students along with faculty staff members will be there on the scheduled date to witness and record your matchless and sincere efforts for the less privileged students. Our students will surely be benefited and enlightened by your cooperation.

Expecting positive and cooperative response from your side.

Thanks.
