Govt Kamla Nehru Mahila Mahavidyalaya Damoh

Action taken on student's feedback

The institute value student feedback and take it into consideration to improve various aspects of its services. Govt Kamla Nehru Mahila Mahavidyalaya, have reviewed and analyzed the feedback to identify areas for improvement.

Some common actions taken based on student feedback include:

Syllabus: Institute design and developed time table for timely completion of recommended syllabus. Tutorial classes and remedial classes have been started for better understanding. It arranges some activities to align it with career opportunities and to address any gap identified by the students.

Infrastructure development: Feedback regarding infrastructure issues, such as inadequate facilities or outdated equipment, drinking facility, security, cctv camera, etc. facilities upgraded and improved on priority basis.

Faculty development: To improve teaching quality or the delivery of course material, the institution organizes professional development programs for faculty members to enhance their teaching skills. Institute also promotes to participate in similar programs organize by other institutions.

Student support services: Feedback related to scholarships, admission, counseling services, career guidance, or extracurricular activities lead to the implementation of new support systems and improvements in existing ones viz. help desk, notice board, faculty appointed for specific purpose, use of social platforms for instant notifications for all, skill development programs etc.

Communication and transparency: Institutions worked on improving communication channels, ensuring that students are well-informed about important updates, events, and administrative processes.

Student Induction Program: Institution organizes student induction program to help new students familiarize themselves with the institute, scholarships, examination, campus, facilities, and resources. It provides them with an overview of the college's culture, values, and academic programs. This helps students feel more comfortable and connected to their new academic environment.
