Policy for Environment and Energy Usage

Govt. Kamla Nehru Mahila Mahavidyalaya, Damoh promises to manage energy to minimize its ill effects on the environment. Various steps and activities are undertaken by the institute to manage Environment and Energy usage.

All the stakeholders are actively involved for the success of the policy. Everyone realizes their responsibilities and contribution towards the successful implementation of the policy. The Eco Club, NSS, NCC units, faculty members and employees devote their time towards the cause of environment awareness, undertake green initiatives, conduct green literacy programs to save energy and protect the environment.

Following initiatives are promoted under this policy :

- To assess energy usage and its impact on the environment.
- To practice the 4R's that is Reduce, Reuse, Recycle and Refuse wherever it is possible.
- To reduce carbon dioxide emissions generated by vehicles. Institute promotes usage of battery-operated vehicles, public transportation and use of pedestrian-friendly roads.
- To install photovoltaic solar panels for the generation of alternate energy.
- To install LED bulbs & sensor-based lights in the campus to save energy.
- To undertake tree plantation drive.
- To make practice to switch off the lights and fans while leaving the rooms.
- To develop systematic waste management mechanism.
- To maintain electrical switches and other electrical appliances on regular basis.
- To take additional measures to continuously improve our energy consumption.
- To ensure the availability of necessary resources to achieve the objectives.
- To encourage use of advanced technology to minimize energy consumption, atmospheric emissions and noise.
- To strengthen our employees' and students' environmental knowledge and skills in order to improve our own environmental performance.
- To provide information and training opportunities on energy saving measures.

This policy will be communicated to all the students, staff and employees of the institute via internal communication channels, and will be made available to all the stakeholders on the institutional website. The Environment and Energy Policy, objectives and targets will be reviewed on a regular basis by the Club Convener and its members under the guidance of the IQAC and head of the institute. All members are required to abide by the policy to make the institute campus green, clean and sustainable.
